There were no objections to keeping Parent Council Meeting dates the same, the last Monday of every month. We will be allowed to use the library space if we make sure to follow the covid guidlines of social distancing. Jaynee will talk with the staff about allowing the kids to stay after school while we have our meetings.

-As of right now there will be no hot lunches, pizza days, or hot dog days. No extra field trips put on by parent council until we have further instructions from the school and AHS.

-Chantelle and Theresa have volunteered to purchase and put together halloween treat bags, for the students. Parent council has allowed a \$250.00 budget for this. We have to wait to hear from the school as they are not allowed to make any plans for Halloween until they hear from the Alberta Chief Medical Officer and AHS.

-Motion to approve a \$250.00 budget for halloween treat bags made by Merissa, seconded by Debbie. All in Favour.

-Jaynee will let the staff know that we did recieve the donation from Bechton Hall, and if they can come up with some ideas of what is needed around the school, like new picnic benches

etc.. and let us know.

-Trudy says everything is going good, reentry into the schools went very well, the staggard entry worked out really well. The federal government gave 4 million dollars to the school divisions and they used some of that for hand sanitizers and other protective equipment.
