Sharing our values each day

A Message from the Superintendent

In Chinook's Edge we are proud of our mission and vision statements, which continue to guide our every effort. This year more than ever, teachers and school staff have relied upon these words that guide our relationships, inform our work together, and impact the potential of each student. We all place a high value on relationships in Chinook's Edge and, although we have been challenged to maintain our usual high level of connectedness, we see many examples of our strength as a connected team of staff, students and families.

With respect to parents, we are proud of a number of ways we are connecting in a meaningful way:

- Despite restrictions in our buildings, many of our schools are seeing strong participation in virtual School Council meetings.
- Schools are also reporting a positive response to the new Parent Teacher Interview module provided through our new websites.
- Grade 5-12 students and parents are accessing PowerSchool to see continual updates of student progress.
- Our bus families are using a new app that allows our Transportation Team to communicate in real time each day – which is particularly vital during a cold season where every minute counts if you are waiting outside on a rural road.
- Collaborating with our Parents Matter Committee continues to provide a meaningful exchange of ideas.

Being connected to our parents and to one another is key to our success in many ways. It has never been more important for us to remain understanding of each other, as we continue reaching towards the aspirations contained within our mission and vision statements so that all students can achieve success.

We would love to hear your thoughts through this month's [parent survey](#) – what word or phrase describes what you value most about your child's school?

MS. TETZLAFF'S K-2 CLASSES

Hello and Happy February! Our themes for this month will include winter, friendship and bears.

Kindergarten:

Language arts: We will continue to focus on various winter stories and work on how to retell a story as well as learning how to sequence the events of the stories. The story we are working on this week is "The Mitten". We are continuing to work really hard on learning how to recognize letters of the alphabet and the sounds associated with them. This month we are starting our Read At Home Program which is an exciting time for the kindergarten students :) I have also sent out information for you to use the RAZ(online reading platform) with your child.

Math - We are continuing to work on number recognition(building, drawing, and printing numbers from 0 to 10).

Social Studies - We will continue on our 'Me' Unit and what makes us unique.

Grade 1 /2:

Language Arts:

In Language Arts, Grade 1's and 2's will continue to develop reading strategies, continue with sight word practice as well learning how to develop good sentences. I encourage you to please remember to continue to take a few minutes to read the Read at Home books/sight words with your child each day. I also encourage you to utilize the RAZ(online reading platform) with your child.

Passwords/Usernames were sent out.

Math: We will be working on our adding and subtracting skills and learning about place values.

Science: We will be starting to learn all about magnets!

For the next few months **the entire school** will be doing a One book -One school book study and reading The World According to Humphrey. A schedule was sent home with your child. I hope you enjoy reading this book with your child each day as a read aloud. We are excited to read this book together as a school. This is a great way to build on their reading skills :)

We will be having a small Valentine's Day Party in our classroom. IF you would like to send a treat PLEASE let me know ahead of time and as a gentle reminder they must be prepackaged treats. I appreciate all your continued support! Happy Valentine's Day and have a wonderful February!

Ms. Tetzlaff

MS. CRANSTON'S GRADE 3 & 4 CLASS

Language Arts: We are finishing our novel study and will be working on good sentences and paragraphs. At the end of February we will be practising our reading fluency in a short reader's theatre mini unit.

Math: We are working on multiplication and will be moving into division. Grade 3's will be looking at splitting things evenly between groups and basic division facts related to multiplication facts up to 5×5 .

Grade 4's will be looking at basic division facts related to multiplication facts up to 9×9 , as well as beginning long division.

Social Studies: We will be continuing our look at the history and people of Alberta. Students will be looking at European immigration, the fur trade, and Francophone Alberta.

Science: We will be beginning our unit on hearing and sound. We will be learning how we hear, about sound waves and how to keep our ears safe!

Welcome to Kindergarten! Beginning on January 10, Chinook's Edge will be accepting Kindergarten registrations for the 2022 - 2023 school year. Children must turn five years old by December 31, 2022 to begin attending Kindergarten in the fall of 2022. Please visit our website for registration information, including the Chinook's Edge schools that offer Pre-Kindergarten programming.

Just a friendly reminder to all parents of bussing students to contact your bus driver or transportation (403) 227-7072 to let them know if your child will NOT be riding the bus on any given day. Communication helps so much with the transition at the end of the day. Thank-you!

**PAY YOUR
SCHOOL FEES
ONLINE!**

Pay School Fees Online Chinook's Edge School Division is pleased to offer the opportunity to pay student fees electronically.

We ask that school fees be paid by February 28, 2022.

The online payment program provides a convenient payment option that saves time. You can make secure online payments by credit or debit card any time and receive a receipt. Safe. Secure. Simple. Signing up only takes a moment. Here is how it works:

1. Go to studentquickpay.com or find the link on the Chinook's Edge Website under the Parents tab.
2. Take a few minutes to register and create an account for your child(ren).
3. Review and pay your child's fees using direct online payment. If you are having technical issues with your parent account please contact Ms. Bennett at the school (403) 556-2429.
