Chantell will get started putting it together. Forms will go out March or April for a pick up around Mothers Day. We will look into applying for the West Coast Seed Fundraiser for next year.

-Yearbook. Becky said the account looks pretty straight forward. The kids cand draw pictures, and Becky can design a cover page herself. We need to come up with a theme, and Becky will need the kids drawings before the end of April as that is the deadline that she needs to submit. Delivery will be early in September. Becky will talk to Leanne about getting pictures, and group photo's of the kids.

-Dean was contacted again by Core AG, they will be having a meeting next week, to decide how much they will be donating to the school.

-Funteam. Kendis says the school is moving slowly into opening up but right now she cannot say wether the funteam would be allowed aces to the bathrooms, possibly by the end of April, but not a guaranteee right at this time. Merissa was thinking of contacting the Church to see if kids would be able to use the washrooms there.
