**OLD BUSINESS FOR DECISION AND ACTION**

- Becky reached out to a company in the States about doing our year books. It would be \$8 US and \$2 US for shipping of each book. This sounds very reasonable, we will find out if the kids are still able to do a cover page etc... and if so we will consider going with this company.

-Christa read 2 months of the Treasurers Report  
-Motion to approve the report made by Theresa, seconded by Chantelle

**STAFF REPORT**

-Kyla just wanted to say that the kids loved the goody bags parent council made up for Christmas. Hot dog days are going well, and the kids really seem to love the pasta days.

- The laminator has been on back order but should be shipped out by the middle of January. Christa will write a cheque to the school for it.

-The school has started their "One book One School" program.

-Motion to approve the staff report made by Chantelle, seconded by Merissa

**NEW BUSINESS**

- Hot lunches. There will be one hot lunch for the month of February. In March we will maybe do subway, and a pizza day.

-Core AG has contacted Dean and wants to donate some money to do something for the school. Dean does not know how much money they are wanting to donate but we will make up a list of suggestions and present it to them to choose. Some suggestions were a hot lunch, bussing for swimming lessons, new basketball nets for the courts, soccer net, maybe a fun skate in March? Kyla will look into the covid guidelines about doing something like that.

-Spring fundraiser. Chantelle had suggested doing a fundraiser from West Coast Seeds. It looks like a awesome fundraiser, but Merissa looked into it and we have to apply for it and the application date had already closed. We will definitely look into applying this for next year.

-Chantelle is looking into finding another fundraiser that we can do this Spring.

-Funteam. Merissa would like to start up the funteam again this year at the school. Kyla believes the school is letting people on the grounds outside but she does not think they would be able to use the bathroom facilities. As well we dont know if the funteam would be allowed to share the gym equipment with the school. Kyla said she would look into it for Merissa. If it is allowed, the season would start around the end of April to around June 10th. One day a week, and it would be a \$10 registration fee, unless you have a child in the hockey program then you dont have to pay it again.

-Valentines day Goody bags. Chantelle and Theresa volunteered to do up the goody bags for Valentines day. Parent Council motioned to spend \$200 on the bags. All in Favour.
