February 2024

Hot Dog Day

Thursday, Feb. 1 & 15

Order online [here](#)

Or through student quick pay on our website. Please **DO NOT** e-transfer Parent Council this money as it is a School fundraiser.

Hot Dogs sell for \$1 each. Hot dog days are usually the 1st and 3rd Thursday of every month. Please check the calendar on our website www.reedranch.ca

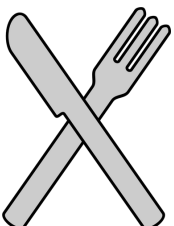

Pizza Day

Thursday, Feb. 8th

[Order forms](#) can be found here or at www.reedranch.ca

We really enjoy our pizza days and would like to thank everyone involved to make this lunch possible.

We remind you that we do not provide water bottles or cutlery for packed lunches. PLEASE remember to pack them in your child's lunch kit.

Thank you.

- Baked/Canned Goods
- Vintage/Antique Items
- Gift Certificates for Goods or Services
- Etc... Be Creative!

Please Contact Dean Duquette -
reedranchparentcouncil@gmail.com

The first report card of the year went home last Tuesday, providing an opportunity to celebrate your child's growth and accomplishments thus far this year. Our next scheduled Parent Teacher Interview Night will be in mid April, but as always, if you have questions or concerns regarding your child's academic or social progress, do reach out to your child's teacher.

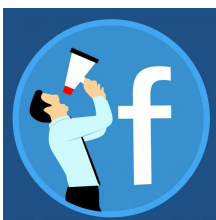

We are excited to have all Reed Ranch students participating in the Kiwanis Music Festival in Olds this year. Performances will be in the morning on March 19th. We will share more information on times as the date grows closer and schedules are released. Thank you to the Parent Council for helping with busing costs.

Students also had the opportunity to vote on a mascot for their school last week. From a selection of 6 animals, the horse was the top pick. Once we have our design finalized, we will share it with families!

Wishing you all a good February!

Sincerely,

Erin Machell

Ms. Tetzlaff's Kindergarten Class

Happy February! Our themes for this month will include winter, friendship and bears.

Language arts: we will continue to focus on various winter stories and work on how to retell a story as well as learning how to sequence the events of the stories. We've been taking an in depth look at The Mitten story and we will continue on with helping students develop their retelling skills. This is an important skill in becoming a strong reader. Students can view/listen to the story using this link:

The Mitten read by Jann Brett
<https://www.youtube.com/watch?v=d3rRWzdHv5M>

We are continuing to work on learning letter recognition and also the *sounds* of the alphabet and working in our Jolly Phonics books on our printing skills.

Math - We are continuing to work on number recognition (building, drawing, and printing numbers from 0 to 10). The kids will continue subitizing numbers 1-5 and will eventually move towards 6-10. Subitizing means being able to recognize numbers at a glance without counting.

Social Studies - We will continue on our 'Me' Unit and what makes us unique.

Science - We will continue investigating our Five Senses (see, taste, smell, touch, hear).

Happy Valentine's Day and have a wonderful February! I appreciate all your continued support!

Ms. Tetzlaff

Ms. Machell & Ms. Tetzlaff's Grade 1 & 2

Language Arts

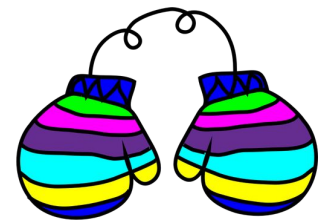

We are continuing to build stamina in our young students in both reading and writing.

Math: In Math we are working on number bonds to support understanding of addition and subtraction.

Social Studies: We are learning about “Belonging in our community”

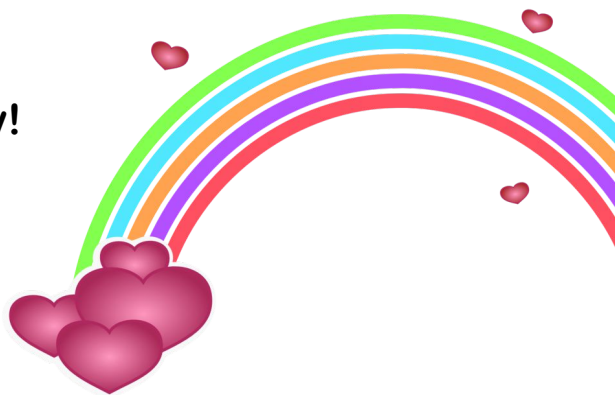

Science We have started our Energy unit which focuses on investigating Sound and Light.

Little Reminder:

Please make sure your child has the appropriate clothing to keep warm and DRY when they go outside. You may also want to send some extra mitts, socks and pants just in case the ones they are wearing get wet.

Happy February!

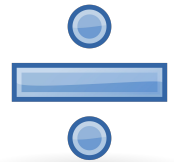

Ms. Cranston's Grade 3 and 4

Learning More in 3 and 4!

Language Arts: We are moving into our non-fiction unit. Students are looking at asking and answering questions, features of non-fiction text such as glossaries and captions, and finding the best information. In grammar we are looking at subject/verb and noun/pronoun agreement.

Math: We are moving on the division. Grade 3's will be looking at splitting things evenly between groups and basic division facts related to multiplication facts up to 5x5. Grade 4's will be looking at basic division facts related to multiplication facts up to 9x9, as well as beginning long division.

Social Studies: We are looking at the history of Alberta, beginning with our First Nations, and through immigration from Europe and the fur trade.

Science: We are exploring Newton's laws of motion, and how we can change the amount and direction of forces to make work easier.

Happy Valentine's Day

Grade 5/6. February Schedule.

Language Learning.

Reading different types of literary texts - articles, journals, cartoons, speeches, etc.

Creative writing - writing speeches.
