OUTSTANDING BUSINESS FOR DECISION AND ACTION

A) PICNIC TABLES AND BASKETBALL COURT

So far there is nothing more to report. We need someone to come look at the tennis courts to see what all is involved. Lindsay H is going to get her husband to come take a look.

B) CORNERSTONE THEATER

Christa said she looked into it and there is only one date for the theater and that would be Wednesday March 20th at 9:30 am. There will be a production about the jungle book coming up but so far there is no info.

C) MEETING TIME FOR PAC

We have taken a poll and have talked about it as an exec on facebook and have come to the conclusion that we will keep the same time for the remainder of this year. we will revisit this come September.

PRINCIPAL REPORT

A) MUSIC FESTIVAL

There is a \$220 registration fee and an anonymous donor has paid the fee.

B) SCHOOL SUPPLIES

We are looking into what we will do for school supplies. Some schools just purchase the supplies and bill the parents, some schools get you to buy from suppliers or parents can supply the supplies. Next year we will allow you to either buy from suppliers or buy your own supplies. If you buy from the suppliers we will have them shipped directly to your house. Erin will get the teachers to submit their school supply list and will bring them to the next meeting.

C) FEEDBACK ON PARENT COMMUNICATION (TEXT REMINDERS)

Feedback was given. Everyone has decided that they have not been bombarded with text messages.

Christa made a motion to approve the principals report, seconded by Dj.

NEW BUSINESS

A) SPRING FUNTEAM

Funteam will start April 25- June 13th. We will be looking for coaches and volunteers. We will have soccer and softball again this year. Registration opens this Thursday.

B) HIWAY CLEANUP

We normally make \$1800. Our area is from the school all the way to torrington. It is always in the beginning of may.
