# Principal's Message

Dear Parents/Guardians,

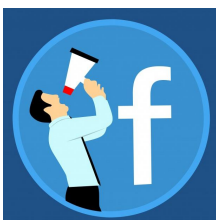

FEEDBACK

It's that time of year! The **Chinook's Edge School Division Parent Survey** for 2024 is now available.

To access the survey, please use the following link: [Parent Survey](#)  
The survey will remain open until April 10th.

Reed Ranch School received a beautiful gift of artwork from the Debbie Collins, on behalf of Mountain View Moccasin House Society of Olds. The piece is called, "There's No Place Like Home", by Cree artist, Delree Dumont. The artwork is currently hanging in the hallway if you would like to have a closer look next time you are at the school.

Elder John Sinclair was invited to visit us as well to share some stories and songs with students. Our guests even brought some fresh bannock and strawberry jam for us all to enjoy!

## Ms. Tetzlaff's Kindergarten Class

Happy March to all my kindergarten families! I hope you all had an amazing winter break! This month's themes will include bears, dinosaurs and St. Patrick's Day!

Language arts- we will be starting to learn about rhyming. We will be using books, poems, games, chants, songs and various activities to encourage this concept. Please continue to help your child at home with letter/sound recognition.

Math - Students will be learning about sorting and identifying sorting rules. We will continue to learn how to sort objects by their attributes: Color, size, shape, type/kind.

Science- Students will explore the movement of objects, humans, and other animals. Movement is a change in position or location that happens over time.

Social Studies - We will start learning about 'My Home, My School, My Community!'

Ms. Tetzlaff

## Ms. Machell & Ms. Tetzlaff's Grade 1 & 2

Welcome to March! It certainly did come in like a lion! We can hopefully look forward to a more gentle "lamb-like" exit if the old saying holds true!

### Language Arts

Students are working on becoming more fluent (pace, expression) readers as their confidence in their reading skills grow. We are working on students take what they know about spelling into their writing. Going back and revising work is a BIG skill to learn!

Math: We are continuing our learning around addition and subtraction facts to 20. Grade one student building their understanding of larger numbers - up to 100. Grade two students will be exploring larger numbers up to 1000.

Social Studies: We are continuing to learn about how we belong in our community.

Science We will be completing our unit on Energy with a focus on the properties of Light.

Little Reminder:

Please make sure your child has the appropriate clothing to keep warm and DRY when they go outside. You may also want to send some extra mitts, socks and pants just in case the ones they are wearing get wet.

Have a wonderful March!

## Learning More in 3 and 4!

**Language Arts:** We will be starting our second novel study. This will give the students the opportunity to explore character, setting, theme, and most importantly to enjoy a great book!

**Math:** We will be looking at multiplying and dividing larger numbers, measurement and converting between fractions, decimals and percentages.

**Social Studies:** We are looking at the history, people and celebrations of Alberta! Our focus this month will be on European settlement and francophone Alberta.

**Science:** We will be completing our energy unit and moving on to living systems.
